

HIGH END RESIDENTIAL

FLORIDA TRADING CORPORATION

MANUFACTURER'S REPRESENTATIVE

Florida Trading Corporation represents a variety of brands and suppliers that allow us to offer a wide range of products for residential construction.

AREAS SERVED

Florida Trading Corporation has customers in Bermuda, Central America, Panama, and the Caribbean.

PRODUCT SPECIFICATION

Florida Trading Corporation works together with specifiers and purchasing departments in foreign countries to source products that meet project requirements.

PROJECTS

Florida Trading Corporation specializes in project pricing and procurement.

PURCHASING AGENTS

As a buying office for our overseas customers, we manage the purchase and consolidation of products sourced in the United States for export.

FREIGHT FORWARDERS

Florida Trading Corporation is a licensed freight forwarder with over 30 years of experience. We can ship anywhere in the world ocean or air. Our combined experience and knowledge of export documentation paired with our logistical partners enables us to offer you the most cost effective method of shipment and personalized service.
