**USPPI INFORMATION
 FOR THE PREPARATION AND SUBMISSION OF EEI (Electronic Export Information)
 Standard Export**

The U.S. Census Bureau requires that all export shipments with value over \$2,500.00 be electronically reported. When a person or entity in the U.S. receives the primary benefit monetary or otherwise of the export transaction, they are considered to be the U.S. Principal Party In Interest and therefore have the responsibility to submit the Electronic Export Information EEI also known as Shipper’s Export Declaration (SED) or authorize a forwarding agent to prepare and submit the EEI on their behalf.

For additional information regarding these rules and regulations please use the following resources:
